SOCIAL AND PERSONAL

Mrs. Fred Phelps of Hermiston and Mrs. Carl Vosen of Boardman are house guests of Mrs. Gilbert W. Phelps.

Mrs. Will Moore is entertaining the members of the North Side Bridge Club this afternoon at her home on Jackson street.

The ladies of the Missionary Society of the Christian Church will have a birthday party in the basement of the church tomorrow afternoon at 2:30 o'clock. A cordial invitation is extended to all to come and bring their sewing and have a good time.

Nine tables were arranged for play at the charmingly appointed bridge party for which Mrs. Gilbert W. Phelps and Mrs. Robert N. Stanfield were hostesses yesterday at the home of Mrs. Phelps. The favor for high score was captured by Mrs. Alger Fee. A large number of smartly gowned matrons were in attendance.

The various Parent-Teacher organizations of the city will hold a union meeting in the auditorium of the library Monday evening at 7:30 o'clock.

At the Episcopal Rectory at 3 p. m. on Wednesday Gerald F. Kilgore and Miss Juanita Hunt were united in marriage, the Rev. Quinney officiating.

The Rev. James and Mrs. Henderson of Spokane were the guests of Rev. Charles and Mrs. Quinney on Wednesday. Mr. Henderson is the principal of the Huston School for Boys, Spokane.

Everyone is talking today of the brilliantly successful jivey dance given in Eagle-Woodman Hall last evening under the auspices of the Club room committee. The affair was absolutely informal, no attempt being made at decorations, but a general spirit of merriment and gaiety made it one of the most enjoyable occasions of the year. There was an unusually large crowd in attendance, both as dancers and spectators.

The committee feels very grateful to all who assisted them and particularly to the group of men who had charge of the management of the dance as much of the vim and "good times" of the affair was due to their efforts. During the evening, coffee, doughnuts and lemonade were served.

The Current Literature Club will meet tomorrow afternoon in the Club room of the library with Mrs. H. E. Bickers and Mrs. Mary La Dow as hostesses. Mrs. Olive Havens, "the sugar lady," will make a short address to the members.

"NAT" MORE THAN PAID FOR UPKEEP LAST YEAR

Total Receipts Amounted to \$831.93
While Expenditures Exclusive of Early Season Repairs, Totaled \$619.55.

Despite the fact that last summer was an unusually cool one as summers go in these parts, the public natatorium more than paid for its upkeep, according to the report made to the council last evening by the special committee in charge, consisting of Councilmen Taylor, Vaughan and Phelps. The total receipts by the small charge made patrons amounted to \$831.93 while the expenditures, exclusive of the sums spent outright by the council early in the season for repairs, totaled \$619.55, leaving a balance on hand of \$212.40.

The committee was extended a vote of thanks by the council for the excellent manner in which the natatorium had been supervised during the season.

Found a Sure Thing.
J. B. Wixon, Farmers Mills, N. Y., has used Chamberlain's Tablets for years for disorders of the stomach and liver and says, "Chamberlain's Tablets are the best I have ever used." Obtainable everywhere.—Adv.

WEST INDIES TRANSFERRED.
WASHINGTON, Jan. 17.—Lansing and Danish Minister Brun exchanged ratifications for the respective overnments, formally transferring the Danish West Indies to the United States.

The Habit of Taking Cold.
With many people taking cold is a habit but fortunately one that is easily broken. Take a cold sponge bath every morning when you first get out of bed—not ice cold, but a temperature of about 80 degrees F. Also sleep with your window up. Do this and you will seldom take cold. When you do take cold take Chamberlain's Cough Remedy and get rid of it as quickly as possible. Obtainable everywhere.—Adv.

CAR SHORTAGE REDUCED.
WASHINGTON, Jan. 17.—The American Railway Association reported the car shortage had been reduced from a hundred and fourteen to fifty nine thousand cars, through concerted action by the interstate commerce commission, railroads and shippers.

Bad Habits.
Those who breakfast at eight o'clock or later, lunch at twelve and have dinner at six are almost certain to be troubled with indigestion. They do not allow time for one meal to digest before taking another. Not less than five hours should elapse between meals. If you are troubled with indigestion correct your habits and take Chamberlain's Tablets, and you may reasonably hope for a quick recovery. These tablets strengthen the stomach and enable it to perform its functions naturally. Obtainable everywhere.—Adv.

MINERS SUCCUMB TO CONSUMPTION

because the sudden change from warm mines to cold winds lowers vitality and the blood is weakened from lack of fresh air.

Scott's Emulsion is a miner's greatest help to enrich and enliven the blood, create body-heat and build strength to resist pneumonia, rheumatism and lung troubles.

Take SCOTT'S after meals for one month and see for yourself its beneficial effects. Refuse Alcoholic Substitutes.

Bear in mind that the next congress will have the first genuine, dyed in the wool maiden speech ever heard on the floor of that august body.

WHAT OUR NEIGHBORS IN CALIFORNIA SAY.

Pasadena, Cal.—"I want to extend to you my heartfelt thanks for the benefits derived from the use of your medicines, also for the kind and good advice obtained. I am a proud mother."

"I had been a great sufferer; three times I was given up to die—the last time being four months ago. I doctored with several doctors but obtained no relief. Was told that an operation would effect a cure, so I submitted to one, but this proved like all the medicines I had taken—not beneficial. I obtained, and started at once taking 'Favorite Prescription'."

"Four months ago the doctors and nurse said it would be a year or more before I would be able to do my household work, and, of course, I thought so myself as I was not able to walk across the floor for several weeks. I am now able to do my household work and to care for my children and I do not feel as though I could ever thank you enough for the benefits I have received."—MRS. MABELLE KIPP, 134 South Pasadena Ave.
